

FOOD SAFETY AND STANDARDS AUTHORITY OF INDIA

Who They Are

- Food Safety and Standards Authority of India (FSSAI) is a statutory body established under the Ministry of Health & Family Welfare, Government of India.
- In India, FSSAI is responsible for maintaining food safety and standards. It includes licensing and registration, food business packaging and labelling, food product standards, and regulation of food additives.

What They Do

- The exporter/food business operator should be registered by Food Safety and Standards Authority of India (FSSAI) as per their operation. FSSAI license is issued by FSSAI Centrally as well as by State Governments such as Food and Drug Administration (State FDA).

Always visit the relevant websites(www.fssai.gov.in) and contact the offices for correct and latest information
